ANNUAL

REPORT

“Let them praise the Lord for his great love and for the wonderful things he has done for them. For he satisfies the thirsty and fills the hungry with good things.”

We saw God move in some incredible ways through **Fellowship City Church** in 2023! From the East Side of Cleveland to places like Ethiopia, the Dominican Republic, and Pakistan, you played an important role in helping people experience true significance in Christ.

God used you to show love, renew hope, bring healing, and advance His Kingdom. We saw people encounter the life-changing truth of the Gospel for the first time, we watched others as they took steps to grow in their faith, and we cared for our communities in some of the most practical ways.

What you'll see in the following pages is evidence of God's promises as we've taken hold of the abundant life He offers, God's provision as we've collectively committed to make a **GREATER** impact, and God's power as we've trusted in His unwavering faithfulness.

Join with us as we celebrate all that God has done through Team Fellowship and look forward with us in great anticipation as we continue to reach the East Side to reach the world together!

Through Love Your Neighbor, we get to put our faith into action and share the love of Christ in some of the most practical ways. Whether it was through service projects, meeting felt needs in the community, or taking the message of Christ around the world, God moved through you in some incredible ways in 2023!

“He must become greater; I must become less.”

John 3:30

We launched **GREATER** in 2023 to continue fulfilling the vision God has given us while remaining debt-free. As a church family, we sought God, listened for His voice, and obeyed what He said. **Together, we have already begun to see the fruit of our collective commitment and sacrifice.**

GREATER IN HUDSON

On October 8, we officially launched our third campus in Hudson led by Pastor Dustin Keele. **GREATER** funds not only supported the launch by providing the media, technology, and supplies needed to facilitate ministry of the Gospel on a weekly basis, but they will also help establish staff over the next three years as we continue to grow.

194

27

People have accepted Christ.

90

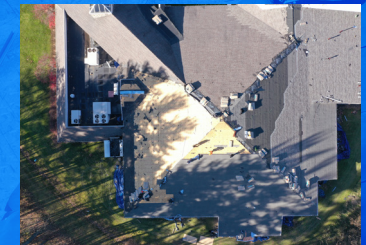

People on average weekly attendance.

GREATER IN CHAGRIN + ORANGE

We are one church in many locations, but our desire is for every campus to look and feel like Fellowship. Maintaining our properties and keeping the guest experience consistent in look and feel requires periodic maintenance and updating.

In 2023, **GREATER** funds provided a much-needed roof over the worship center, lobby, nursery, and restrooms at our Chagrin campus. In spring of 2024, the project will be completed by replacing the roof over the youth room, fireplace room, and church offices.

GREATER updates at Orange coming in 2024!
